Dear Ms. Best:

We are in receipt of your Freedom of Information Act (FOIA) request dated 21 June, which was received by this office on 24 June 2019, for "records mentioning or describing various intranet sites and internal websites or web platforms provided for use by IC employees, including but not limited to eChirp, and a-Space. This request is not meant to cover sites or platforms used directly for intelligence analysis." Your request has been assigned Case Number 107307.

We are uncertain of the records you seek. Department of Defense (DoD) Regulation 5400.7-R states that the requester must provide a description of the desired record so that the Government is able to locate the record with a reasonable amount of effort. More detail is required for us to determine the appropriate files to search to find the material you request. In accordance with the DoD regulation, processing of your request is being held in abeyance pending a response from you, within 30 days of the date of this letter, clarifying your request. If we do not hear from you within that time, we will assume that you are no longer interested in pursuing this request, and we will administratively close your case with no further processing.

Correspondence related to your request should include the case number assigned to your request, which is included in the first paragraph of this letter. Your letter should be addressed to the National Security Agency, FOIA Office (P132), 9800 Savage Road STE 6932, Ft. George G. Meade, MD 20755-6932, or may be sent by facsimile to 443-479-3612. There is a wealth of information about NSA activities on the NSA Internet web pages that you may wish to review to aid you in further

defining your request. If you are interested in visiting the NSA FOIA page for declassified and publicly available Agency records, you may wish to go to: <http://www.nsa.gov/news-features/declassified-documents/>.
